I see a mountain, standing in the way
A mountain of failure, a mountain of shame
And there is an ocean, drowning me in fear
An ocean of worry, an ocean of tears
But I know You have taken me this far
So I'll rise and I'll sing of who You are

You alone hold the nations in Your hands
And You alone are moving mountains in these lands
And You alone know the secrets I have saved
And the dreams that I have chased
And You alone, You are worthy of my praise

I see a picture, of all that I'll become
A picture of beauty, a picture of love
There is a vision, growing in my mind
A vision of triumph, a vision of life
For I know You have taken me this far
So I'll rise and I'll sing of who You are

You alone hold the nations in Your hands
And You alone are moving mountains in these lands
And You alone know the secrets I have saved
And the dreams that I have chased
And You alone, You are worthy of my praise

You are worthy, worthy, worthy
You alone
You're worthy, worthy, worthy, oh oh
You are worthy, worthy

And now in faith we speak
And mountains move as we believe
[x4]

You alone hold the nations in Your hands
And You alone are moving mountains in these lands
And You alone know the secrets I have saved
And the dreams that I have chased

And You alone hold the nations in Your hands

And You alone are moving mountains in these lands
And You alone know the secrets I have saved
And the dreams that I have chased
And You alone, You are worthy of my praise

You are worthy, worthy, worthy
Worthy, worthy, worthy
You are worthy, worthy, worthy
You are worthy, worthy
