Out of nowhere came a Savior
Just when all my hope was all but gone
Like a rainbow through the shadows
Breaking through my sorrow to the dawn
Gracious and kind
Holy and right
God of my life

The perfection of beauty, like a wave running through
me
Like a fire in my bones, like a river of hope
The perfection of beauty, with the power to move me
Like a flame in the night, like an ocean of light
The perfection of beauty

In the thunder, there's a fire
Who devours all who stand in His way
Burning brighter, reaching higher
His desire, oh, that all would be saved
Gracious and kind
Holy and right
God of my life

The perfection of beauty, like a wave running through
me
Like a fire in my bones, like a river of hope
The perfection of beauty, with the power to move me
Like a flame in the night, like an ocean of light
The perfection of beauty

God will go before us
He will make a way
God will shine upon us
With His face
[x2]

Gracious and kind
Holy and right
God of my life
[x2]

The perfection of beauty, like a wave running through
me
Like a fire in my bones, like a river of hope
The perfection of beauty, with the power to move me
Like a flame in the night, like an ocean of light
The perfection of beauty
The perfection of beauty
The perfection of beauty
