"Rescue Me"

No light to see
My heart is pressed inside of me
Nowhere to run
But straight into unfailing arms

Hear me cry, Father
Hear me pray, and answer
For the glory of Your name

Come and rescue me
I am on my knees
I can barely breathe
Come and rescue me, Jesus

Be still my soul
Until the light comes down the road
Be strong, be set
Though every hope hangs by a thread

Hear me cry, Father
Hear me pray, and answer
For the glory of Your name

Come and rescue me
I am on my knees
I can barely breathe
Come and rescue me, Jesus

You will keep me
You won't leave me
How I need Thee, Lord
[x2]

Come and rescue me
I am on my knees
I can barely breathe
Come and rescue me, Jesus
