My heart has grown so cold
I've let the darkness in
I've said You are everything
But still You weren't enough

I've not been true to You
My life has hurt You, Lord
I'm running back into
The safety of Your hand

I wanna be free in Jesus
I wanna be satisfied in You and You alone
Take this heart, take my life
Pull me close, satisfy

My heart has heard Your call
But I have closed my ears
I've said I would follow You
But still I've chased the wind

I've stretched my hand toward You
While holding to this world
But now I'm letting go
And reaching out to You

I wanna be free, Jesus
I wanna be satisfied in You and You alone
Take this heart, take my life
Pull me close

Oh, I wanna be free in Jesus
I wanna be satisfied in You and You alone
Take this heart, take my life
Pull me close, satisfy

I wanna be free, I wanna be free
I wanna be free, I wanna be free
I wanna be free, I wanna be free, oh oh

I wanna be free in Jesus
I wanna be satisfied in You and You alone
Take this heart, take my life

Pull me close

Oh, I wanna be free in Jesus
I wanna be satisfied in You and You alone
Take this heart, take my life
Pull me close, satisfy

Oh, I'm letting go, I'm letting go, Jesus
'Cause I wanna be free, I wanna be free, oh
I wanna be free, I wanna be free, oh
I wanna be free, oh
