I just wanna sing to You

There's one thing I ask  
Just one thing I seek  
To delight myself in You

To live all my days  
Announcing Your fame  
To delight myself in You, in You  
Oh, in You

'Cause I just wanna sing to You  
And I just wanna lift my voice in praise  
And I just wanna worship You  
I just wanna shout aloud Your name

And I just wanna stand here in Your glory, Lord  
And dance in Heaven's light  
And I just wanna sing to You

I've only one prayer  
And only one plea  
To delight myself in You

To spend all my life  
Revealing Your might  
To delight myself in You, in You

'Cause I just wanna sing to You  
And I just wanna lift my voice in praise  
And I just wanna worship You  
I just wanna shout aloud Your name

And I just wanna stand here in Your glory, Lord  
And dance in Heaven's light  
And I just wanna sing to You

I lift my eyes to you  
I fall on my face  
I lift my soul to you  
I give all my praise, ohh

I delight myself in You, in You  
Delight myself in You now  
And I delight myself in You, oh

'Cause I just wanna sing to You  
And I just wanna lift my voice in praise  
And I just wanna worship You  
And I just wanna shout aloud Your name

And I just wanna stand here in Your glory, Lord  
And dance in Heaven's light

And I just wanna sing to You  
And I just wanna lift my voice in praise  
And I just wanna worship You  
And I just wanna shout aloud Your name

'Cause I just wanna sing to You  
And I just wanna lift my voice in praise  
And I just wanna worship You  
And I just wanna shout aloud Your name

And I just wanna stand here in Your glory, Lord  
And dance in Heaven's light  
And I just wanna stand here in Your glory, Lord  
And dance in Heaven's light

'Cause I just wanna sing to You  
And I just wanna lift my voice in praise  
And I just wanna worship You  
And I just wanna shout aloud Your name

And I just wanna stand here in Your glory, Lord  
And dance in Heaven's light

'Cause I just wanna sing to You  
And I just wanna lift my voice in praise  
And I just wanna worship You  
And I just wanna shout aloud Your name

And I just wanna stand here in Your glory, Lord  
And dance in Heaven's lights

'Cause I just wanna sing to You  
And I just wanna lift my voice in praise
