Stronger than any other
Louder than any thunder
Bigger than any wonder
Greater than any power
Finer than any flower
Higher than any tower

Here we are now

CHORUS

So in awe of You
So in awe of You
We stand in awe of You
Forever, Savior

Together we will seek You
Forever we will praise You
You are the Father of our hearts
Never ceasing to love You
Never forgetting Your truth
You are the Father of our hearts

Here we are now

So in awe of You
So in awe of You
We stand in awe of You
Forever, Maker
So in awe of You
So in awe of You
We stand in awe of You
Forever, Savior

Bridge

Here we are now
Set apart now
So in awe of You
Here we are now
Set on fire now
So in awe of you

So in awe of you
So in awe of you
So in awe of you
Forever, maker
So in awe of You
So in awe of You
So in awe of you
Forever, Savior

So in awe of You
So in awe of You
We stand in awe of You
Forever, Maker
So in awe of You
So in awe of You
We stand in awe of You
Forever, Savior

so in awe
we're so in awe of you
we're so in awe
forever,maker
We're so in awe
we're so in awe of you
we're so in awe
Forever,savior
