"Unveil"

I know as I envision
Your never ending power
Your splendor is more
Than I can imagine

I've heard of Your perfections
But I've been blind to You
Open my eyes
Open my ears
Open my heart

CHORUS
Unveil my eyes
So I can see Your glory
Unveil my eyes
So I can know You're here
You're here

Your love, it overtakes me
And makes me who I am
As I am undone
In light of Your glory

Bridge
Take apart this world
That I have made
Make this heart aware
Of more than me
Reveal to me the depths
Of who You are
And come and teach me like a child
and trust your heart
and trust your heart
