We come to Your throne with weeping
We come to Your throne with sorrow and shame
We come to Your throne with weeping
We come

We come to Your throne with mourning
We come to Your throne with desperate hearts
We come to Your throne with mourning
We come

We come to You
We cry out for mercy
And we turn from our sins

We come to You
Humble and broken
We fall on our knees

We come to You
We come

We come to Your throne with weeping
We come to Your throne with sorrow and shame
We come to Your throne with weeping
We come

We come to Your throne with mourning
We come to Your throne with desperate hearts
We come to Your throne with mourning
We come

We come to You
We cry out for mercy
And we turn from our sins

We come to You
Humble and broken
We fall on our knees

We come to You
We come
(We come)

With desperate
(We come)
With desperate

We come to Your throne forgiven
We come to Your throne by the blood of the lamb
We come to Your throne forgiven
We come

We come to Your throne forgiven
We come to Your throne by the blood of the lamb
We come to Your throne forgiven
We come

We come to You
We cry out for mercy
And we turn from our sins

We come to You
Humble and broken
We fall on our knees

We come to You
We thank you for mercy
And the freedom to live

We come to You
Almost singing and shouting
We dance just for You

We come to You
(We come to You)
We dance just for You

We thank You
We praise You
We love You
Lord Jesus

We thank You
We praise You
We love You
Lord Jesus

We thank You
We praise You
We love You
Lord Jesus
