We delight in the wonders of Your glory
We abide in the shadow of Your wings
We rely on new mercies every morning
We delight in the splendor of the King

We delight in You
We delight in You
We delight in You
Forever
We delight in You
We delight in You
We delight in You
Forever

We delight in the fragrance of Your presence
We defy every evil through Your blood
We arise as a people called to greatness
We delight in the beauty of Your love

We delight in You
We delight in You
We delight in You
Forever
We delight in You
We delight in You
We delight in You
Forever
Forever
Forever

We're singing, we're shouting
We're not afraid to show our love
We're dancing, romancing
Cause we were made to know this love
[x2]

We delight in You
We delight in You
We delight in You
Forever
We delight in You

We delight in You
We delight in You
Forever
Jesus

We delight in You
We were made to know this love
