[Justin Bieber]

It's the most beautiful time of the year
Lights fill the streets spreading so much cheer
I should be playing in the winter snow
But I'mma be under the mistletoe

I don't want to miss out on the holiday
But I can't stop staring at your face
I should be playing in the winter snow
But I'mma be under the mistletoe

With you, shawty with you
With you, shawty with you
With you under the mistletoe

Everyone's gathering around the fire
Chestnuts roasting like a hot July
I should be chillin' with my folks, I know
But I'mma be under the mistletoe

Word on the street santa's coming tonight,
Reindeer's flying in the sky so high
I should be making a list I know
But I'mma be under the mistletoe

With you, shawty with you
With you, shawty with you
With you under the mistletoe

With you, shawty with you
With you, shawty with you
With you under the mistletoe

Eh, love, the wise men followed the star
The way I follow my heart
And it led me to a miracle

Eh love, don't you buy me nothing
I am feeling one thing, your lips on my lips
That's a very, merry Christmas

It's the most beautiful time of the year
Lights fill the streets spreading so much cheer
I should be playing in the winter snow
But I'mma be under the mistletoe

I don't want to miss out on the holiday
But I can't stop staring at your face
I should be playing in the winter snow
But I'mma be under the mistletoe

With you, shawty with you
With you, shawty with you
With you under the mistletoe

With you, shawty with you
With you, shawty with you
Shawty with you, under the mistletoe

Kiss me underneath the mistletoe
Show me baby that you love me so-oh-oh
Oh, oh, ohhh
Kiss me underneath the mistletoe,
Show me baby that you love me so-oh-oh
Oh, oh, ohhh
