Girl, you're lookin' fine tonight
And every guy has got you in his sight
What you're doin' with a clown like me
Is surely one of life's little mysteries

(Chorus)

So tonight I'll ask the stars above:
How did I ever win your love?
What did I do; What did I say
To turn your angel eyes my way?

Well, I'm the guy who never learned to dance
Never even got one second glance
Across the crowded room was close enough
I could look but I could never touch

(Chorus)

Don't anyone wake me if it's just a dream
'Cuz she's the best thing that ever happened to me
All you fellows, you can look all you like
But this girl you see, she's leaving here
With me tonight

There's just one more thing I need to know
If this is love, why does it scare me so?
Must be something only you can see
'Cuz girl, I feel it when you look at me

(Chorus)
