Light from a window, cold dark and black  
Sound from a dream  
I was hypnotized, I was paralyzed  
I could hardly speak

And baby, baby, you never realized that  
I could have stood there lost in your eyes  
Stood there waiting, and not realized  
Love isn't easy, it isn't always kind  
I could have stood there, lost in your eyes

Guess I understand it, guess I sort of have to  
Guess I kind of see  
(Guess I kind of see)  
Just because it could have been, doesn't mean it had to  
Ever mean a thing  
(Ever mean a thing)

And baby  
(Ooh)  
Baby  
(Ooh)  
I could say it all the time that  
I could have stood there lost in your eyes  
Stood there waiting, and not realized  
Love isn't easy, it isn't always kind  
I could have stood there, lost in your eyes

And you know sometimes I wonder, yes I wonder  
I really really do, ya, yes I do  
Just because it helps me  
Though sometimes it's scares me  
(Scares me ooh)  
Guess you wouldn't know, no you wouldn't know

Guess I understand it, guess I sort of have to  
Guess I kind of see  
Just because it could have been  
Doesn't mean it had to, ever mean a thing

Hum and baby  
(Ooh)

Oh baby  
(Ooh)  
You never realized that  
I could have stood there lost in your eyes  
Stood there waiting, and not realized  
Love isn't easy, it isn't always kind  
But I could have stood there, lost in your eyes

You know, I could have stood there  
Yea, yea, yea, yea  
(Lost in your eyes)  
(Lost in your eyes)  
(Lost in your eyes)  
(Lost in your eyes)
