Would you be my girl  
Would you be my girl

The ring upon your finger's worths a fortune  
But it doesn't matter  
He don't love you  
He don't love you  
And I know you went to paris  
When he asked for your hand but  
He don't love you  
He don't love you  
I will give you something that no other man could  
When love is for real you know it feels so good  
It's hard to walk away now  
But it's gonna get worse  
Just cancel the wedding and come with me

Sweet baby  
Understand me  
I feel the pressure to  
Let the man marry me  
But deep down in my heart  
It's you I want  
It's you I want

You keep on driving me crazy  
Girl let me off the hook tell me  
Said you need time  
But I wanna know now  
Would you be my girl  
Would you be my girl

I am so mad about you boy  
It's hard to be your friend when I want more  
I think about it seven and twenty-four  
It's what I want  
Would you be my girl  
Would you be my girl
