Intro

Woe to me I am unclean
A sinner found in Your presence
I see you seated on Your throne
Exalted, Your Glory surrounds You

Pre-chorus

Now the plans that I have made
Fail to compare when I see your glory

Chorus

Ruin my life the plans I have made
Ruin desires for my own selfish gain

Destroy the idols that have taken Your place
'Till its You alone I live for,
You alone I live for. (repeat)

Bridge

Holy Holy is the Lord Almighty
Holy is the Lord!

Holy Holy is the Lord Almighty
Holy is the Lord!

Repeat chorus
