Oh, these are just words  
And are not enough, to contain you  
Oh, these are just words,  
And can never suffice, to acclaim you

Father, just words, and I have so few  
I run out too fast, to speak them to you  
Father, just words, and I have so few  
I run out too fast, to speak them to you

Oh, you are indescribable, you are beyond expression  
And I run out of words for you, I can't think that high  
So hear my spirit groan in me  
A painful sense of urgency  
To tell you that you are to me,  
So high  
So high

Oh, these are just words  
And are not enough, to contain you  
Oh, these are just words  
And can never suffice, to acclaim you

Father, just words, and I have so few  
I run out too fast, to speak them to you  
Father, just words, and I have so few  
I run out too fast, to speak them to you

Oh, you are indescribable, you are beyond expression  
And I run out of words for you, I can't think that high  
So hear my spirit groan in me  
A painful sense of urgency  
To tell you that you are to me,  
So high

You are so high (x8)  
Oh, you are indescribable, you are beyond expression  
And I run out of words for you, I can't think that high  
So hear my spirit groan in me  
A painful sense of urgency  
To tell you that you are to me

Indescribable, you are beyond expression  
And I run out of words for you, I can't think that high  
So hear my spirit groan in me  
A painful sense of urgency  
To tell you that you are to me  
So high
