(Somebody...)

Told her that there was a place like heaven  
Across the water on a 747  
Yeah, we're living in  
In a modern world.

And pretty soon she's really got the notion  
Of flying out across the big blue ocean  
Yeah, we're living in  
In a modern world.

Talk is cheap on satellite  
But all I get is (static!)  
Information, I'm still here  
Re-dial on automatic.

CHORUS:

Calling America (can't get a message through)  
Calling America (that's what she said to do)  
Calling America (that's where she has to be)  
Calling America (she left a number for me)  
Calling America.

But I'm just talking to a satellite  
Twenty thousand miles up in the sky each night  
Yeah, we're living in  
In a modern world.

All I had to do was pick up the phone  
I'm out in space, trying to talk to someone  
Yeah, we're living in  
In a modern world.

She left a number I could call  
But no one's there, no one at all  
There must be something going wrong  
That number just rings on and on.

REPEAT CHORUS

Said she'd call when she'd been gone a while

Guess she's missing me across the miles  
Yeah, we're living in  
In a modern world.

REPEAT CHORUS

Calling America, Calling America  
Calling America, Calling America...
