Gee, I wish it was ten o'clock
Come on baby it's time to rock
I'm so glad I've got you here
Makes me happy when you are here
CHORUS
(Ooh-whee) This feelin's killin' me
(Aw, shucks) I wouldn't stop it for a million bucks
(I love you so) Come on, baby, now Don't Let Go
Thunder, lightnin', wind and rain
Keeps on poundin' inside my brain
I'm so glad that I can see
*You've been keepin' on next to me
-Chorus
-Solo
-Chorus
*One day, baby, you could be had {One day baby you'll
quit me yet}
*I'll be cryin' and sad you're bad
There's one thing I'll never stand
You goin' out with another man
