Dear Jo:

I don't know where to begin so I'll just hello

Dear Jo:

Is it so much better now you're on your own?

(Is it alright?) You never believed in yourself

(Is it alright?) But now that you're free, does it help?

CHORUS:

Is it alright?

Now that you've got what you want?

And is it alright?

Now that you're back where you belong?

Dear Jo:

Are you living it up every place you go?

Dear Jo:

If you're having a hard time it sure don't show

(Is it alright?) You couldn't hold on in your mind.

(Is it alright?) Now is it okay, is it fine?

REPEAT CHORUS

Dear Jo:

Can you believe that it's been so long?

Dear Jo:

Just thought I'd write and let you know

(Is it alright?) You never believed in yourself

(Is it alright?) But now that you're free, does it help?

REPEAT CHORUS

Is it alright?

Is it alright with you?

Is it alright?

Is it alright with you?

REPEAT CHORUS

REPEAT CHORUS
