One day the earth woke up, said
Boy, I feel half dead
Somebody's turnin' up the poison
And it's gettin' in my head

Sometimes I wish my guests
Would move away somewhere
Yes I'm burnin' up all over
I can't even breathe the air

Save me now, save me now
Save me now
Save me now, save me now

One day the earth woke up, said
Boy, it's gettin' hot
And remember all those trees I had
But now there ain't a lot

And my eyes kept slowly tricklin'
Down to where the party's at
And if everybody's goin' there
Well, that's the end of that

Save me now, save me now
Come on and
Save me now, save me now
Save me now
