Staring at the eyes...

U tell me u want everything that I have  
But every time I try 2 give all u do is bringing me down,  
yea yea  
U feed me your lines, lay your hands over me  
But all's I ever get from u a feeling that you're running  
me 'round, yea yea  
Now Im left thinking Im better left going on my own  
Tell me is it any wonder? (Is it any wonder at all?)  
I don't really wanna go, but u forced me out the door  
Im not gonna let u take me under  
U'll be staring at the eyes of love  
1 day you're gonna (fall from the eyes of love)  
I don't believe u'll never known  
U'll be staring at the eyes of love  
Someday u'll wanna (fall from the eyes of love)  
& If I ever leave, u'll never know  
Turn back the time 2 our simpler days when  
A night seemed like 4ever 2morrow an eternity, yea  
yea  
Was it all a waste of time, I don't really wanna say  
But u gotta stop & wonder (Is it any wonder at all?)  
Now Im going with the flow, cuz u forced me out the  
door  
Im not gonna let u take me under  
U'll be staring at the eyes of love  
1 day you're gonna (fall from the eyes of love)  
I don't believe u'll never known  
U'll be staring at the eyes of love  
Someday u'll wanna (fall from the eyes of love)  
& If I ever leave, u'll never know  
Now I shoulda known better  
I believe it's true that love is blind  
& U never, ever really know why, yea  
Staring at the eyes of love  
1 day you're gonna (fall from the eyes of love)  
I don't believe u'll never know  
U'll be staring at the eyes of love  
Someday u'll wanna (fall from the eyes of love)  
& If I ever leave, u'll never know  
U'll be staring at the eyes of love  
1 day you're gonna (fall from the eyes of love)

I don't believe u'll never know  
U'll be staring at the eyes of love  
Someday u'll wanna (fall from the eyes of love)  
& If I ever leave, u'll never know
