Everybody's looking for a better way, a better day
The world isn't changing to know if I like what I see.
Simpler times are behind us, what more can I say
Whatever happened to satisfaction guaranteed.

Listen...

This sign tell you my child.

Step into fire feel the pressure or you might get burn
And welcome to this crazy life we lead!

Hey...

Contact, hijacks simulated on video games,
And life is a reality for fantasy TV shows

Everyone wants a story disputable...
Watch what you're doing... or you'll be the next to go.

Yeah...

This time I tell you my friend.

Step into the fire feel the pressure or you might get
burn
And welcome to this crazy world.
Running on the wire, get a line and a way to turn.
And welcome to this crazy life we lead.

Hey! Yeah!

This crazy life,
This crazy world.
Come step right on,
And feel the burn.

Hey, hey, aaahh...

(Solo)

This time I tell you my child,
This sign tell you my friend.

Step into the fire feel the pressure or you might get
burn
And welcome to this crazy world.
Running on the wire, get a line and a way to turn.
And welcome to this crazy life we lead.
