I remember the cool summer nights
The way u called my name, how was I
How was I know someday u'd b gone?
& all the dreams we lived 4
They never died, they're still inside my soul

Fooling around by the cherry tree
Makin' love down by the Pier
Oh! it makes no sense at all
Girl, it don't, it don't seem fair

Never thought we'd ever b apart
Never thought I'd ever see the lonely, lonely shade,
shade of blue
Never find another with your smile
Why'd I have 2 go & lose u? Lonely, lonely shade,
shade of blue

Late at night I still hold your pillow
The way that I held u, 2 this day
I close my eyes, I still hear your smile
We used 2 dream about this neverending
We uswed 2 dream we'd always b as 1

Sometimes I cry 2 heaven above
Why'd u have 2 take my baby?
Cuz as she flies with all the angels
I'm here alone 2 bathe in my tears of pain

Never thought we'd ever b apart
Never thought I'd ever see the lonely, lonely shade,
shade of blue
Never find another with your smile
Why'd I have 2 go & lose u? Lonely, lonely shade,
shade of blue

It's killing me

It's been years & 7 days
& it just don't seem 2 get better
Someday I know we'll b as 1
Someday I know we'll b 2gether

Never thought we'd ever b apart
Never thought I'd ever see the lonely, lonely shade,
shade of blue
Never find another with your smile
Why'd I have 2 go & lose u? Lonely, lonely shade,
shade of blue

See the lonely, lonely shade, shade of blue...
