If you're looking 4 someone 2 kick around the floor
Let me tell u, I may be your man
U can do what you're willing then throw me out the door
I wont beg u 4 a vowing hand, no no

If all u want is fixed sensation (want u 2 know)
Without the lines of communication (want u 2 know)
Well then I thought u should know

4ever I'm your impermanent man
I'll be there when I am needed
Gone without provision
4ever I'm your subservient man
So you'll never need another again

There's no need 4 the pressure, never a mistake
All I need's a simple, subtle sign
U can take what u want what u want's what I'll take
No need 2 draw the line, no no

Never again lost in the translation (want u 2 know)
No need 2 cry from anticipation (want u 2 know)
Go when u want me 2 go

4ever I'm your impermanent man
I'll be there when I am needed
Gone without provision
4ever I'm your subservient man
So you'll never need another again

Never again lost in the translation (want u 2 know)
No need 2 cry from anticipation (want u 2 know)
Wanna be your good times, don't need no bad times
Go when u want me 2 go

4ever I'm your impermanent man
I'll be there when I am needed
Gone without provision
4ever I'm your subservient man
So you'll never need another again

So you'll never need another
Always your decision
