Tell me the truth & I'll give u the answers  
It's always your way, your decision's your grandeur  
But don't come cryin' 2 me when u go  
Thinking bout i was right, oh so right  
It aint u I been dreaming of now i'm done  
Don't u look now  
(Chorus:)  
I aint gonna be your victim  
I aint got that time  
Cuz I'm on my own again  
So baby, are u listenin'?  
U done got me flyin'  
Cuz I'm on my own again  
Ooh, & it feels so right  
If life is a highway then yours is the fast lane  
Well, Im sick of the lies u ins-s-ist having your way  
Cuz now these chains are binding, I aint buying  
Now it's time 4 u 2 go, I think it's bout that time baby  
I guess I'll just go walking'  
You're pride is talking again  
Well don't look back now  
(Chorus)  
Now listen, don't come cryin' 2 me when u go  
Thinking bout I was right, ooh so right  
Just go walking you're pride is talking again, talking  
again  
Again & again & again & again  
(Chorus)
