Can we meet under a velvet sky?  
Where red is green, & love has no alibi  
There's nowhere, out there  
I'd rather be than here  
This new ride, inside  
Has left me starry-eyed  
No, I aint going home, cuz I wanna stay  
& when that train's coming through, just send it away  
No deadlines,  
There's room 4 1 next 2 me  
There's no mistakes  
Our lives are so wild & free  
No, I aint going home, cuz I wanna stay  
When they call me 2 leave, just send them away  
(Chorus:)  
I live in your dreams & dreams are 4ever  
Close your sacred eyes  
You're in all my dreams, we're dreaming 2gether  
Just close your sacred eyes  
In eden stroll along  
These words are my favourite songs  
I'm wandering this escapade  
Don't rain on my love parade  
No, I aint going home, cuz I wanna stay  
When they call me 2 leave, just send them away  
(Chorus)
