Cant believe something so new could ever feel so right  
& I hardly know your name  
But I can't imagine what my life would be without u  
In so deep, u know it hurts 2 be with u  
But more than that, it kills me when you're gone  
Cuz now that Ive found u, I promise I won't let u go  
But u gotta show me, give me a sign  
Love is all we need 2 survive  
There's no disguising how much I want u 2 be mine  
Till the end of time  
Baby, baby, baby, I cherish every moment we're  
2gether  
& there's so much Ive got 2 give  
Though I know it's hard 2 believe me, kisses never lie  
There's only 1 thing I need now, is that u'll always be  
mine  
& That u'll never, ever, ever break my soul  
Cuz once Im inside ya, I promise I'll always be there  
But u gotta show me (show me), give me a sign (give  
me a sign)  
Love is all we need 2 survive (all we need 2 survive)  
There's no disguising how much I want u 2 be mine  
Till the end of time  
All I ever wanted, girl you're everything & more, yea  
& I need u by my side  
All I really need now is that u give me half a chance,  
yea  
Ill do anything your heart desires, baby  
2 keep u satisfied  
I don't wanna be your past  
I wanna be your 2day, 2morrow, the only 1  
So don't u be afraid now  
I got this funny feeling we're gonna make it 2gether,  
yea  
U just gotta show me (show me), give me a sign (give  
me a sign)  
Love is all we need 2 survive (all we need 2 survive)  
There's no disguising how much I want u 2 be mine  
Till the end of time  
U gotta show me (show me), give me a sign (give me a  
sign)  
Love is all we need 2 survive (all we need 2 survive)

There's no disguising how much I want u 2 be mine  
Till the end of time
