Out of all the pretty faces that I've seen tonight,
You are my favorite star by far,
When I felt your vibe I pictured you right by my side,
It was something I felt right from the start

Your face your smile
Could never be second best
Your grace your style
Is like nothin' I've seen
The place the time,
Is now cause I just can't wait
Put on the rush
Cause I just

Don't wanna wait for your love
Can't be away from your love
Cause when I dream it's you I'm thinkin' of
Don't wanna wait for your love

You're a princess now but soon you'll be my queen,
Girl you're royalty to me,
Put your trust in passion, faith in love, and then you'll
see
This is really meant to be

Your face your smile
Could never be second best
Your grace your style
Is like nothin' I've seen
The place the time,
Is now cause I just can't wait
Put on the rush
Cause I just

Don't wanna wait for your love
Can't be away from your love
Cause when I dream it's you I'm thinkin' of
Don't wanna wait for your love

Don't wanna wait for your love
Can't be away from your love

Cause when I dream its you I'm thinkin' of
Don't wanna wait for your love

breakdown

Don't wanna wait for your love
Can't be away from your love
Cause when I dream it's you I'm thinkin' of
Don't wanna wait for your love

Don't wanna wait for your love
Can't be away from your love
Cause when I dream it's you I'm thinkin' of
Don't wanna wait for your love
