Well if we really wanna make it
Really wanna make it, I wanna make it man
Straight ahead all the way you guys
I don't care how dirty you guys get
It doesn't make any difference
Oh fudge, ah well, fudge
Ah Barnum gee whiz rag mop
You know gosh all whillickers
Under the wedding ring I feel a what's that
Finger, finger hoo, hah, hoo, hah are you married?
Fu, fu fudge, hyuh, hyuh, hyuh rag mop
Hoo, wha, hoo you do it, I do it, who do it, where do it
Do it, do it, do it, do it, do it, do it
Folks we've been in the business for 20 years
And I've never had a heart attack
You're my friends I want you to know that
Stick it, stick it, time, time, time
Take your money sign to clarify that
Would you believe New York is an island!
The honourable Hawaii sinking
Shi fah, fah, shuh-hoo-oo-whiss!
Yes what is it
I've been at school you see try, try, try
Hawaii, Hawaii, Hawaii
Bok, bok, bok, bok
The difference to get in though
Not that it makes any difference
New York's uh sinking
How old are you little girl
Fudge, fudge, ay, yi the thing is
Nay, nay uh, Ca-no-no yes but
Uh-uh-uh, va-nay-nay, ba-no-no
Going, Going
Go, go, go, go
No man is an island, do it, do it, do it, do it
No man is an island
He's a peninsula
