The mountain is high
The valley is low
and you confused on which way to go
so i'm from here
to give you a hand
and lead you into the promise lands

[chorus]
come on and take a free ride (free ride)
come on and sit here by my side
come on and take a fr-ee ri-de

all over the country
i've seen it the sa-me
nobody's winning
at this kind of game
we gotta do better
it's time to begin
you know all the answers
are stored from within so,

[chorus]
come on and take a free ride (free ride)
come on and sit here by my side
come on and take a fr-ee ri-de

yeah, yeah, yeah, yeah

free ride!

come on and take a free ride
yeah yeah yeah yeah
repeat 5 times
(until song fades out)
