"Baby Take Me In Your Arms"

Come on and take me in your arms and make me love
you

Make me know how much I'm thinking of you

Come along and do it

There's really nothing to it

Baby if you try

Baby take me in your arms

If loving you's a crime

Then I guess I'm guilty every time

And I always will because this heart of mine needs you

so

Maybe I'm a fool, but I don't know why you wanna play it
cool

And my love is getting stronger, so don't be cruel, I
need you so

Come on and take me in your arms and make me love
you

Make me know how much I'm thinking of you

Come along and do it

There's really nothing to it

Baby if you try

Come on and take me in your arms and make me kiss
you

Make me know how much I'm gonna miss you

Come along and do it

There's really nothing to it

Baby if you try

Come on, take me in your arms

I've just seen her face and the feeling that I've never
felt inside

Makes this heart of mine just melt inside every time

And what can I do when I've tried so hard to get
through to you

Somehow you won't let me steal into your heart

Come on and take me in your arms and make me love
you

Make me know how much I'm thinking of you
Come along and do it, there's really nothing to it
Baby if you try

Come on and take me in your arms and make me kiss
you
Make me know how much I'm gonna miss you
Come along and do it, there's really nothing to it
Baby if you try
