

## Jefferson "The Colour Of My Love"

Visit "[The Colour Of My Love](#)" on MotoLyrics.com

Her hair was the colour of the sun  
Was the colour of her eyes  
Was the colour of my own true love

Her hair was the colour of the sun  
Was the colour of her eyes  
Was the colour of my own only love

Love maker, make me a lovesong to sing  
I'm in the night, she is wrong and she knows  
(He's in love and it shows)

I want her love but she won't let me in  
When I see her I think who's fooling who?  
(She loves you too)

Her hair was the colour of the sun  
Was the colour of her eyes  
Was the colour of my only love

Her hair was the colour of the sun  
Was the colour of her eyes  
Was the colour of my only love

Maybe there's someone else but I won't give in  
I'll play her game and I hope I don't lose  
(You'll be the one she would choose)

Love maker make me a love song to sing  
She'll hear my song and I hope she'll be there  
(She knows you care)

Her hair was the colour of the sun  
Was the colour of her eyes  
Was the colour of my only love

Her hair was the colour of the sun  
Was the colour of her eyes  
Was the colour of my only love

Her hair was the colour of the sun  
Was the colour of her eyes

Was the colour of my only love

Her hair was the colour of the sun

Was the colour of her eyes

Was the colour of my only love
