You're bringing me down  
And you know it ain't right  
You've been running around love  
Staying out all night  
Get outta sight  
Don't hang around  
Your bringing me down  
Well the things your doing  
Or playing your games  
Well you better get wise now  
Or things gonna change  
Coz your bringing me down  
and you know it ain't right  
You've been running around Love  
Staying out all night  
Get outta sight  
Don't hang around  
Your bringing me down  
Well you used to tell me  
My love was your flame  
But I had you last evening  
No it wasn't the same  
Coz your bringing me down  
And you know it ain't right  
You've been running around love  
Staying out all night  
Get outta sight  
Don't hang around  
Your bringing me down  
(Break)  
Your bringing me down  
And you know it ain't right  
You've been running around love  
Staying out all night  
Get outta sight  
Don't hang around  
Your bringing me down  
Well your love used to echo  
From my feet to my brain  
Aahh but now it just whispers  
Well I think your to blame  
Coz your bringing me down

And you know it ain't right  
You've been running around love  
Staying out all night  
Get outta sight  
Don't hang around  
Your bringing me down  
Yeh your bringing me down (Down Down Down)  
Yeh your bringing me down (Down Down Down)  
Ahh your bringing me down (Down Down Down)  
Yeh your bringing me down
