Golden velvet robes on Pope Paul, he's talking--he's
stalking devils of
flesh. Rides through the streets instead of walking. I
think his holy story
is a mess. All I did last Easter all I did was paint some
eggs. It was a
resurrection holy day-- no more nails in the holy legs.
Only one true holy
book in your hand. Singing in latin nobody
understands. Licking wafers
paper thin.

Ah, stupid christian isn't it grand? Is that your reason
for this day? Do
you have a little something holy you'd like to say?
Something about a magic,
sacred, holy day. You look holy and humble on your
knees, but it looks
funny when you run that way. Pope Paul taking all your
money for turning
your feet into clay (pigeon).

One man of peace dies, and a hundred wars begin.
You keep murdering

people in his christian name--I thought he said--I
thought he said that was
a sin. Soldier where have you been? What is your
reason for this day? Do you
have a little something holy you'd like to say to me?
Something about a
magic, sacred, holiday. All I'm going to do this easter--
I'm just going to
look for eggs. It's a resurrection holy day--no more
nails in the holy legs. No
more brains in the christian.
