One pill makes you larger
And one pill makes you small
And the ones that mother gives you
Don't do anything at all

Go ask Alice
When she's ten feet tall
And if you go chasing rabbits
And you know you're going to fall

Tell them a hookah-smoking caterpillar
Has given you the call
Call Alice when she was just small
When the men on the chess board get up and tell you
where to go

And you just had some kind of mushroom
And your mind is moving slow
Go ask Alice
I think she'll know

When logic and proportion
Have fallen SLOPPY dead
And the white knight is talking backwards
And the Red Queen's LOST her head
Remember what the dormouse said
