\*Baby cries, chatter\*

Come and get it

Dollar fifteen, too

Get your bargins right over here

Dollar fifteen, too

Look at the bargins over here, ladies

Ladies, everybody's entitled to buy

Everybody's entitled for a good buy

Right over here, get it

Please come over here and get it

Dollar fifteen, too

Step inside

Hi, how are you?

\*Chatter\*

Yes, you'll get it, you'll get it,

Wait, I'll give it to you in a minute

Come over here, you'll get it

Right over here

Here, one fifty-two Orchird Street, and one forty-eight

Orchird Street

Yes? Yes.

I take care of the babies, too.

Once a buy, like fifty cents an hour watching the babies..

While you do your shopping right over here

You get it right over here

At Mendel's Department Store

Yes, you entitled for good buy, and you get it

Right over here

Thank you

You get it, right over here
