I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart that you're really a part of me  
I've got you under my skin.

I've tried so not to give in  
I've said to myself this affair never will go so well  
But why should I try to resist when, baby, I will know so  
well  
That I've got you under my skin ?

I'd sacrifice anything come what may  
For the sake of having you near  
In spite of a warning voice that comes in the night  
And repeats, repeats in my ear.

Don't you know, you fool, you never can win ?  
Use your mentality, wake up to reality  
But each time I do, just the thought of you makes me  
stop before I begin

'Cause I've got you under my skin.

I'd sacrifice anything come what may  
For the sake of having you near  
In spite of that warning voice that comes in the night  
And repeats, repeats in my ear.

Don't you know, you fool, you never can win ?  
Use your mentality, wake up, wake up to reality  
But each time I do, just the thought of you makes me  
stop before I begin  
'Cause I've got you under my skin.  
Yeah, I've got that feeling my skin.  
Yeah, I've got you, I've got you, I've got you under my  
skin.
