There's something happening here
What it is aint exactly clear
There's a man with a gun over there
Tellin me i got to be where
I think it's time we
Stop
Childeren what's that sound
Everybody look what's goin down
There's battle lines bein brawn
Nobodys right if everybodys wrong
Young people speaking their minds
Im gettin so much resistance
Far behind
Its we stop
Hey what's that sound
Everybody look what's goin down.
What a field day for the heat
A thousand people in the street
Singin songs and carrying signs
Mostly sayb 'hooray for our side'
Its time we stop
Hey what's that sound
Everybody look what's goin down
Paranoia strikes deep
Into your life it will creep
It starts when you always afraid
Step out of line
The men come and take you away
We better stop
Hey what's that sound
Everybody look what's goin down
Stop
Hey what's that sound
Everybody look what's goin down
