theres something happening here
what it is aint exactly clear
theres a man with a gun over there
tellin me i got to be where
i think its time we
stop
childeren whats that sound
everybody look whats goin down
theres battle lines bein brawn
nobodys right if everybodys wrong
young people speaking their minds
im gettin so much resistance
far behind
its we stop
hey whats that sound
everybody look whats goin down.
what a field day for the heat
a thousand people in the street
singin songs and carrying signs
mostly sayb 'hooray for our side'
its time we stop
hey whats that sound
everybody look whats goin down
paranoia strikes deep
into your life it will creep
it starts when you always afraid
step out of line
the men come and take you away
we better stop
hey whats that sound
everybody look whats goin down
stop
hey whats that sound
everybody look whats goin down
