Would you like to know a secret? Just between you and me  
I don't know where I'm going next, I don't know who I'm gonna be  
Yeah, and that's the other side of this life, I've been leading, yeah  
Yeah, and that's the other side of this life

Well, my whole world's in an uproar, my whole world's upside down  
I don't know where I'm going but I'm always bumming 'round  
Yeah, and that's another side of this life I've been leading, yeah  
Yeah, and that's another side of this life

Well, I don't know what I'm doing, half the time, I don't know where I'm going  
I think I'm gonna get me a sailing boat and sail the Gulf of Mexico

Yeah, and that's another side of this life I've been leading, yeah  
Yeah, that's the other side of this life

I think I'm [Incomprehensible] down to Tennessee  
The ten cent life I've been leading here gonna be the death of me  
Yeah, and that's the other side of this life I've been leading, yeah  
Yeah, that's the other side of this life

Would you like to know a secret? Just between you and me  
I don't know where I'm going next, I don't know who I'm gonna be  
Yeah, and that's the other side of this life I've been leading, yeah  
Yeah, and that's the other side of this life, yeah
