Paul Kantner)

I didn't know you were the one for me, I couldn't see
For someone to come along to help you out,
But you were waiting,
to sing your song,
And I was changing;
All I see is you; all I feel is you,

for me!
And always feel you by my side;
I would really like to watch you ride
And I would really like to watch you ride;
All on me!

You have a way of walking 'round,
I see you, I feel you;
I go stumbling to the sky, and I seem to fly so high
and you are shining;
All I see is you;
your feet they never touch the ground,

All I feel is you for me!
Times don't change;
Times don't ever change for me;
the only thing in my world

And I know that you could be,
The only thing that my mind would find;
For love, for love and peace of mind,
for me, for me: Oh

and we can say, "I love you, love you;"
Your shadow in the morning sun becomes my fun,
My morning shines on silver beaches,
your light flashes to the reaches
Of my mind, my mind, of
My mind, and my mind it comes alive with you;
It's all that I can do,
to sit here and let you blow my mind;
Ah, my mind,

You're so fine, in my mind you're so fine,
in my mind you're so fine,

You're so fine, in my mind,
you're so fine in mind.
