It's a wild time!
I see people all around me changing faces;

It's a wild time!
I'm doing things that haven't got a name yet.

I need love, your love;
It don't matter if it rains or shines.

It's a wild time!
It's a wild time!
I see love all the time!
I'm here for you any old time!
Ah, stay here, play here;
Make a place for your self here.

I want to be with you,
no matter what I do;
What doesn't change is the way I feel for you today;

Times just seem so good;
I do know that I should,
be here with you this way;
And it's new;
And it's new;
And it's oh so new!

I see changes, changes;
All around me are changes!

It's a wild time!
It's a wild time!
It's a wild time!
