Won't you try
Won't you try
Won't you try
Find a way to need someone
Find a way to see
Find a way to need someone and the sunshine will set
you free
Won't you try
With love before were gone
Wont you try
Wont you try
Wont you try

Saturday afternoon
Saturday afternoon
When your head is feeling fine
You can ride inside our car
I will give you caps of blue and silver sunlight for your
hair
All that soon will be is what you need to see, my love
Won't you try
Won't you try
I do care that you do see
Is it time to leave, my lady
Yes it is I know
Round about and everywhere sunshine instead of snow
Times can't change that what I say is true

Oooooh oooh
Ill come through for you
And I'll come through for you, my love
Wont you try
Wont you try
Wont you try
Wont you try
Saturday afternoon
Yellow clouds rising in the noon
Acid incense and ballons
Saturday afternoon
people dancing everywhere ,loudly shouting i don't
care
Its a time for growing and a time for knowing

Saturday afternoon
Saturday afternoon (wont you try)
Saturday afternoon (wont you try)
Saturday afternoon (wont you try)
Wont you try (saturday afternoon)
Wont you try (saturday afternoon)
Wont you try
Wont you try
