Precious love, I'll give it to you  
Blue as the sky and deep in the eyes if a love so true  
Beautiful face, you make me feel  
Light on the stairs and lost in the air of a love so real

Count on me, count on my love  
Count on me, count on my love

Emerald eyes and china perfume  
Caught on the wheel and lost in the feel of a love so  
soon  
Ruby lips, you make my song  
Into the night and saved by the light of a love so strong

Count on me, count on my love  
Count on me, count on my love  
Count on me, count on my love

Precious love, I'll give it to you  
Blue as the sky and deep in the eyes if a love so true  
Beautiful face, you make me feel  
Light on the stairs and lost in the air of a love so real

Count on me, count on my love  
Count on me, count on my love  
Count on me, count on my love  
Count on me, count on my love
