

## Jefferson Airplane/Jefferson Starship/Starship "Light The Sky On Fire"

Visit "[Light The Sky On Fire](#)" on [MotoLyrics.com](http://MotoLyrics.com)

God, all dignified, if you want to.  
What I would really like to know.  
Will you light the sky on fire?  
Will you light tonight like  
You did the night before?  
Hey! You could take me higher  
Than the diamonds in the sky.  
Take me, light in the sky and we'll  
Vanish without a trace and we'll see God then.  
Temples and mirrors interest me.  
Though all there really is to know.  
Will you light the sky on fire?  
Will you light the sky on fire again tonight?  
You can take me higher than the diamonds in the sky.  
Take me, we'll vanish without a trace  
And then we'll all see God then.  
On the pyramids of the legend.  
The great god Kopa Khan came  
From the stars and vanished.  
And the legends say he will come  
Back again someday.  
Someday...  
Will you light the sky on fire?  
Will you light tonight like  
You did the night before.  
You can take me higher  
Than the diamonds in the sky.  
Take me, light in the sky and  
We'll vanish without a trace.  
And then we'll see god then.  
Yes, I would really like to know.  
What I've been watching this for.  
Yes, I would really like to know.  
Will you light the sky on fire?  
Will you light the sky like  
You did the night before?  
You could take me higher than  
The diamonds in the sky.  
Take me, we'll vanish without a trace.  
And we'll all see God then.  
Vanish without a trace.

Vanish without a trace.  
Come on, come on,  
Come on, come on, come on,  
Let's vanish without a trace.  
Come on, come on, come on,  
Come on, come on,  
We'll vanish without a trace.
