When the truth is found to be lies
An' all the joy within you dies

Don't you want somebody to love?
Don't you need somebody to love?
Wouldn't you love somebody to love?
You better find someone to love, love

When the dawn is rose they are dead
Yes, and you're mine, you're mine, you're so full of red

Don't you want somebody to love?
Don't you need somebody to love?
Wouldn't you love somebody to love?
You better find someone to love

Your eyes, I say your eyes may look like his
Yeah, but in your head, baby
I'm afraid you don't know where it is

Don't you want somebody to love?
Don't you need somebody to love?
Wouldn't you love somebody to love?
You better find someone to love

Tears are runnin', runnin' along down your breast
And your friends, baby, they treat you like a guest

Don't you want somebody to love?
Don't you need somebody to love?
Wouldn't you love somebody to love?
You better find someone to love
