

Jefferson Airplane/Jefferson Starship/Starship "Today"

Today, I feel like pleasing you more than before
Today, I know what I wanna do, but I don't know what
for

To be living for you is all I want to do
To be loving you it'll all be there when my dreams come
true

Today you'll make me say that I somehow have
changed
Today you'll look into my eyes, I'm just not the same

To be any more than all I am would be a lie
I'm so full of love I could burst apart and start to cry

Today, everything you want I swear it all will come true
Today, I realize how much I'm in love with you

With you standing here, I could tell the world what it
means to love
To go on from here, I can't use words they don't say
enough

Please, please listen to me
It's taken so long to come true
And it's all for you, all for you
