Say you don't know me or recognize my face  
Say you don't care who goes to that kind of place  
Knee deep in the hoopla, sinking in your fight  
Too many runaways eating up the night

Marconi plays the mamba  
Listen to the radio, don't you remember  
We built this city, we built this city on rock and roll

We built this city  
We built this city on rock and roll  
Built this city  
We built this city on rock and roll

Someone's always playing corporation games  
Who cares they're always changing corporation names  
We just want to dance here, someone stole the stage  
They call us irresponsible, write out us off the page

Marconi plays the mamba  
Listen to the radio, don't you remember  
We built this city, we built this city on rock and roll

We built this city  
We built this city on rock and roll  
Built this city  
We built this city on rock and roll

It's just another Sunday  
In a tired old street  
Police have got the choke hold  
Oh, then we just lost the beat

Who counts the money underneath the bar  
Who rides the wrecking ball into our guitars  
Don't tell us you need us, 'cos we're the ship of fools  
Looking for America, crawling through your schools

Don't you remember  
Marconi plays the mamba  
Listen to the radio, don't you remember  
We built this city, we built this city on rock and roll

We built this city  
We built this city on rock and roll  
Built this city  
We built this city on rock and roll

Built this city  
We built this city on rock and roll  
Built this city  
We built this city on rock and roll

We built, we built this city  
We built, we built this city  
We built, we built this city
