Don't know what's happened to me
Since I met you
Feeling like I'm fallin' in love
Since I met you

I got to know whatcha doin'
Doin' me with your love
(With your love)
Whatcha you're doin'
Doin' me with your love
(With your love)

Whatcha doin'
Doin' me with your love
(With your love)
Whatcha doin' me, baby
It feels so good
Whatever it is

Knew from the start it had to be you
You got my heart, I don't know what I'm gonna do
With your love, Heaven set the sign and sent you
I'm goin' out of my mind since I met you

I got to know whatcha doin'
Doin' me with your love
(With your love)
Whatcha doin'
Doin' me with your love
(With your love)

Whatcha doin'
Doin' me with your love
(With your love)
Whatcha doin' me, baby
It feels so good
Whatever it is

Whatever it is, whatever it's called
I know that it's you, I can't help gettin' involved
With your love, baby, sweet baby

(Whatcha doin')
With your love
With your love
With your love

Whatever you did me with, sure did it good
My mind fill with lovin'
And I knew that it would be good
With your love

Don't know what's happened to me
Since I met you
I feel like I've fallin' in love
Since I met you

I got to know whatcha doin'
Doin' me with your love
(With your love)
Whatcha doin'
Doin' me with your love
(With your love)
Whatcha doin'

Doin' me with your love
(With your love)
Whatcha doin' me, baby
It feels so good
Whatever it is

Knew from the start it had to be you
You got me heart
I don't know what I'm goin' to do with your love
Baby, sweet baby, ooh
