Al child you are timeless and I love you
Child that I see
And I see you
Tryin to lean towards kindness
Now thats what I like to see
Thats what I like to see
I want to see your love
And I want to feel
I wanna feel your love
Al Garimasu sometimes loving in the rain
Some feel like steel some taste like, candy
Al Garimasu the same in any language
The same in any name
Call it what you feel
Call it whatevers handy
We dont, have to know the name, no
We dont, have to have the same name, oh
We dont, have to have any name at all
All cause you gave me your love
And now I know, just exactly who to call
(Break)
Oh, thats what I
I like to see
I like to see your love
And I wanna feel
I wanna feel your love
We dont, have to know the name, oh no
We dont, have to have the same name, oh
We dont, have to have any name at all
Cause you gave me your love
And now I know, just exactly who to call
