Don't ever stop, don't ever stop, no no no  
Don't ever stop this crazy feelin'

I love you so you'll never know  
Don't ever stop believin'  
Out of the minds time after time  
It's such a crazy feelin'

Feelin' good, feelin' high  
Feel so free I wanna fly  
Feel the sun, feel the ground  
Feel it just go round and round and round

And I wanna stay day after day  
And just a little bit longer  
You close to me I gotta be  
You know the love gets stronger and stronger

Feelin' good, feelin' high  
Feel so free I wanna fly  
Feel the sun, feel the ground  
Feel it just go round and round

Turnin' like a wheel  
Changin' it for real  
Whenever we are one  
It's true, always me and you  
Kind of weather

I love you so you never know  
Don't ever stop believin'  
Out of my mind time after time  
Ooh it's such a crazy feelin'

Feelin' good feelin' high  
Feel so free I wanna fly  
Feel the sun, feel the ground  
Feel it just go round and round and round

And I wanna stay day after day  
Just a little bit longer  
You close to me I wanna be

Love gets stronger and stronger

Feelin' good feelin' high  
Feel so free I wanna fly  
Feel the sun, feel the ground  
Feel it just go round and round

And round and round  
And round and round  
Round and round  
Don't stop no more  
Don't stop grab on, don't stop  
This crazy feelin' now

Don't stop grab on, don't stop no more  
Don't stop, this crazy crazy feelin' now  
Don't stop no more, don't stop no more  
Don't stop, this crazy feelin' now  
Don't stop no more, don't stop no no no  
Don't stop, this crazy feelin'

Turnin' like a wheel
